

TOWN OF PEQUAYWAN

10/8/2019

ST. LOUIS COUNTY, MINNESOTA

Resolution 2019.009

Township Board Resolution

"Resolution for Speed and Axle Weight Restriction for portion of West Branch Road under Pequaywan Township Responsibility"

Whereas Pequaywan Township has responsibility for a section of West Branch Road.

Whereas, the Township has invested in the maintenance and upkeep of the road

Whereas, this portion of the road has curves and hills and driveways entering with limited visibility and creation of safety issues.

Whereas, the climate and usage of this road make upkeep very expensive for Pequaywan Township.

Therefore be it resolved that the speed on the Township owned portion of West Branch Road should be limited to 35 MPH and the vehicle axle weight should be restricted to 7 ton axle.
